It is the responsibility of the Net Control Supervisor to ensure the HBRACES Monday night net is conducted properly.

Net duties include:

- Advising NCO's at least one week prior to their scheduled date
- Have them trade if unavailable on their date or use alternate list of "last minute volunteers"
- Monitoring and checking into the OCRACES 1900hrs net as the designated HBRACES representative
- Checking into the Red Cross first Monday night net if possible

- Provide a log of net to the Documentation Officer at the conclusion of the net
