

2 Meter Net Script

RACES & CERT

Revised: 2023-01-01

Notes: • When using the Kenwood radio in the EOC, set the radio to channel 2, 145.140

- Roll call is to be done on a hard copy roll call printout, printed from the RACES website.
- Net Control Operator or Supervisor is responsible for entering roll call in the online web form.
- By FCC rules, your call sign must be given at least every 10 minutes. It may take longer than 10 minutes to call roll, so be sure you identify yourself during the call of sections at least once.

QST QST QST This is (your call sign), Net Control Station for Huntington Beach RACES and CERT. Please direct all traffic through this station.

During emergency activations, this station will identify as "W6HBR, Station Huntington Beach".

This 2 meter repeater is the primary communications net station for HB RACES emergency traffic.

Is there any priority or emergency traffic for the Net? (long break - note stations with traffic here)

Are there any bulletins or messages for the Net? (long break - note stations with traffic here)

We will now begin roll call. We will ask members to check in by suffix. RACES roll call follows.

(check off each member on your printed roll call list – enter them later on the web site roll call list)

RACES members Alpha through Golf, check-in now. (acknowledge each member that checked in)

RACES members Hotel through November, check-in now. (acknowledge each member that checked in)

RACES members Oscar through Tango, check-in now. (acknowledge each member that checked in)

RACES members Uniform through Zulu, check-in now. (acknowledge each member that checked in)

Are there any missed or late RACES members or RACES candidates to check into the net?

This is (your call sign). CERT roll call follows. (re-identify with your call sign)

CERT members Alpha through Golf, check-in now. (acknowledge each member that checked in)

CERT members Hotel through November, check-in now. (acknowledge each member that checked in)

CERT members Oscar through Tango, check-in now. (acknowledge each member that checked in)

CERT members Uniform through Zulu, check-in now. (acknowledge each member that checked in)

Are there any Allstar or EchoLink members to check-in? (acknowledge each member that checked in)

Are there any visitors or late CERT or RACES members to check in?

(note on your roster check-in sheet any visitors or candidates and add to the online version as well)

(2 Meter Net Closing)

The cooperation of all stations during this Two Meter Net has been appreciated. For information on joining Huntington Beach RACES, please visit our website at HBRACES dot ORG, or call 714-375-5178.

This Net will be activated again next Monday at 1915 hours local time. The Net is now closed.

The 440 Net follows immediately. This is (your call sign), clear.

440 Net Script

RACES & CERT

Revised: 2023-01-01

Notes: • When using the Kenwood radio in the EOC, set the radio to channel 5, 447.940

- Roll call is to be done on a hard copy roll call printout, printed from the RACES website.
- Net Control Operator or Supervisor is responsible for entering roll call in the online web form.
- By FCC rules, your call sign must be given at least every 10 minutes. It may take longer than 10 minutes to call roll, so be sure you identify yourself during the call of sections if necessary.

QST QST QST This is (your call sign), Net Control Station for Huntington Beach RACES and CERT. Please direct all traffic through this station.

During emergency activations, this station will identify as "W6HBR, Station Huntington Beach".

This 440 repeater is the primary communications net station for HB CERT emergency traffic.

Is there any priority or emergency traffic for the Net? (long break - note stations with traffic here)

Are there any bulletins or messages for the Net? (long break - note stations with traffic here)

We will now begin roll call. We will ask members to check in by suffix. RACES roll call follows.

(check off each member on your printed roll call list – enter them later on the web site roll call list)

At your option, you may choose to call only those who previously checked into the 2 meter net.

RACES members Alpha through Golf, check-in now. (acknowledge each member that checked in)

RACES members Hotel through November, check-in now. (acknowledge each member that checked in)

RACES members Oscar through Tango, check-in now. (acknowledge each member that checked in)

RACES members Uniform through Zulu, check-in now. (acknowledge each member that checked in)

Are there any missed or late RACES members or RACES candidates to check into the net?

This is (your call sign). CERT roll call follows. (re-identify with your call sign)

CERT members Alpha through Golf, check-in now. (acknowledge each member that checked in)

CERT members Hotel through November, check-in now. (acknowledge each member that checked in)

CERT members Oscar through Tango, check-in now. (acknowledge each member that checked in)

CERT members Uniform through Zulu, check-in now. (acknowledge each member that checked in)

Are there any Allstar or EchoLink members to check-in? (acknowledge each member that checked in)

Are there any visitors or late CERT or RACES members to check in?

(note on your roster check-in sheet any visitors or candidates and add to the online version as well)

(440 Net Closing)

The cooperation of all stations during this 440 Net has been appreciated. For information on joining Huntington Beach RACES, please visit our website at HBRACES dot ORG, or call 714-375-5178.

This Net will be activated again next Monday immediately following the 2 meter net which starts at 1915 hours local time. The Net is now closed. This is (your call sign), clear.
